Join us for the second annual Midwest Nordic Rendezvous with our guest instructor Emily Lovett from Steamboat Springs, Colorado! Her roots come from Michigan where some of her best childhood memories are on cross country ski outings with her family. She attended Kalamazoo College & eventually moved to Steamboat in 1995. She soon found her passion & joined the PSIA Rocky Mountain Division & USSA in 1996. Emily coached the Steamboat Springs high school cross-country ski team for 8 years. She currently hosts and coaches instructor groups, master's groups, women's fitness groups, and co-organizes and instructs at the West Yellowstone Ski Festival Camp and the Steamboat Springs Nordic Camp.
