Professional Ski Instructors of America (PSIA) is holding this event for discipline specific techniques from the beginner to the advanced skier. The event will provide an opportunity to enhance personal skiing, drills and tools for teaching/coaching and technical fundamentals for the volunteer coach, intermediate skier, all the way to an experienced instructor going for a Certification. This event will be fun while exploring ways to instruct, learn, and develop proficient techniques, teaching strategies, and progressions. It will include a movement analysis with video for feedback and the opportunity to tune your own skiing as well as to assist in training the eye when teaching/coaching.

Come share your passion for cross country skiing and improve your own skiing as well as your teaching/coaching skills.
